

## Dana West Marina's

# HARBOR HIGHLIGHTS

DECEMBER 2015

## HOLIDAY HAPPENINGS IN THE HARBOR

It's the most wonderful time of the year! The weather is crisp, the sunsets are phenomenal and the holidays are quickly approaching. **There is a ton of holiday fun to be had in Dana Point Harbor** starting with **Holiday in the Harbor** on Friday, December 4, 2015 in Mariner's Village & Dana Wharf from 4:30 PM to 7:30 PM. **Holiday in the Harbor** will host a variety of holiday activities geared toward families and children throughout the commercial area of the Harbor. Santa will be available for photos, there will be a petting zoo, performance by various characters, holiday crafts and much more. Events are free!

**Boat rides with Santa** will be available from the Dana Wharf Sportfishing docks on Saturday, December 5th and Sunday, December 6th from 10 AM to 2 PM. Santa will hear Christmas wishes as you cruise the Harbor. This is a unique opportunity your child will never forget!

The Dana Point Harbor **41st Annual Boat Parade of Lights** is on December 11, 12, 18 & 19 at 7:30 PM. This year's theme is Galactic Holiday. The Boat Parade of Lights is a holiday highlight in Dana Point Harbor. Enjoy the parade from your boat at the slip with friends or light her up and enter to participate in the parade!

For information and a complete list of holiday events visit [www.danapointharbor.com](http://www.danapointharbor.com)

### BATTEN DOWN THE HATCHES

Hard to imagine, but rain is on it's way. Great news after such a long spell of hot and dry conditions—but it does mean it is time to **winterize your boat**. With the anticipated storms, don't forget to drop by and check your vessel for leaks so you're not greeted by an unexpected surprise that is more difficult to solve when addressed later than sooner!

**Tie off halyards** so your neighbors do not experience unnecessary noise during the winds. **Snap on your boat's canvas** and cover your dinghy to **prevent rainwater from accumulating** and causing unwanted problems.

**Double check your dock lines for chafing**. For sailors who have roller furling head sails, please make sure they are secure. **Clear your vessel's scuppers** and **check automatic bilge pumps**.

We are here to help! Give us a call if you want us to check on your boat.

### DANA POINT TURKEY TROT A THANKSGIVING TRADITION

The Dana Point Chamber of Commerce encourages you to run the race before you stuff your face on Thanksgiving Day at the 38th Annual Dana Point Turkey Trot on November 26, 2015 at 7 a.m.

The Turkey Trot has been a Thanksgiving tradition in Dana Point since 1977 and offers something for the whole family with a health and wellness expo, costume contest, 5K, 10K, and Kids Gobble Wobble!

The event is from 6 a.m. to 12 p.m. on Thanksgiving Day. **Access to the Harbor will be limited during this time. Please plan accordingly.**

[www.turkeytrot.com](http://www.turkeytrot.com)

**CLEAN & GREEN...** The amount of fish waste disposed of in a small enclosed basin can quickly exceed that which exists naturally. Where water circulation is restricted, decomposition of fish waste can deplete the water of dissolved oxygen leading to water quality degradation. Clean fish and dispose of the remains offshore or at home.

## A MESSAGE FROM THE MARINA OFFICE

With the winter season approaching, it is a good time to remind you of some housekeeping items out on the docks and in the parking lots. Please take into consideration the following when visiting your boat:

- ◆ There should be no items stored on the dock, main walk or fingers surrounding your boat. This includes buckets, cleaning supplies, kayaks, paddleboards, chairs and any other item aside from a water hose neatly wrapped around your marina issued dock box and dock steps.
- ◆ Dinghies or small boats may not be stored behind your vessel and should be kept on your vessel or in a separate assigned slip.
- ◆ Dock carts are provided for your use and convenience. Please return dock carts to the bottom of the gangway after use.
- ◆ Only minor boat maintenance is permitted in the marina. Please be sure any painting or major repairs are done at a shipyard.
- ◆ California is in a severe drought. Please use a nozzle with auto shut-off.

**Thank you for your cooperation. We appreciate you!**
