

# Dana West Marina's HARBOR HIGHLIGHTS

JUNE 2016

## WELCOME SUMMER

Summer is just around the corner which means we are heading into the busy boating season, summer holidays and lots of fun on the water. **Memorial Day weekend is May 28-30, 2016.**

Memorial Day is a lot of fun in the Harbor and tends to be a busy weekend. If you plan to spend time on your boat over Memorial Day weekend, we encourage you to plan ahead to insure you will not run into any issues with parking. **If your vehicle does not display a marina issued parking decal, please stop by the marina office with your vehicle registration and we will be happy to assign you a sticker.** Marina issued parking stickers are used by our parking gate attendants to assist them in their efforts to identify you as a current marina Licensee. It is important that you have a marina issued parking sticker and access card or fob for hassle free entry into the lot over Memorial Day weekend.

Provided there is available parking, your guests will be permitted to park in the lot over Memorial Day weekend. **Guest parking passes are available in the marina office.**

Please do not hesitate to call or email the marina office if you have any questions. We can be reached at (949) 493-6222 or [office@danawestmarina.com](mailto:office@danawestmarina.com)

**HAVE A SAFE & ENJOYABLE HOLIDAY!**

## National Safe Boating Week May 21st – 27th

Do you have the right life jacket? Nearly all boating-related fatalities are the result of drowning and 84% of these fatalities may have been prevented if a life jacket had been worn. Your life jacket is the most important piece of boating safety gear, so be sure to always WEAR IT! The **WEAR IT Campaign** promotes boating safety and life jacket safety by encouraging boaters to wear their life jackets. Actually, **Wear your Life Jacket to Work Day is May 20th!** We'll be wearing ours, how about you? For safety tips, information & general boating safety facts, take time to visit the safe boating council website at [outreach@safeboatingcouncil.org](mailto:outreach@safeboatingcouncil.org)

**Your life may depend on it!**

**CLEAN & GREEN...** Materials, supplies, vehicles and equipment stored outdoors are exposed to rain and runoff can result in storm water pollution. Boaters should use dock box storage or storage onboard the vessel to eliminate harbor contamination. Please take into consideration the following boater best management practices related to storage, spills and disposal:

1. All materials and supplies are to be stored onboard, in the dock box or in off-site storage. Nothing may be left on the docks.
2. Any spills must be cleaned up immediately using absorbent materials, dry sweeping techniques or by vacuuming. Do not rinse spills or debris of any kind into the water.
3. No hazardous material is to be transported in the marina dock carts.
4. Open fires or barbecues are not allowed on the docks.

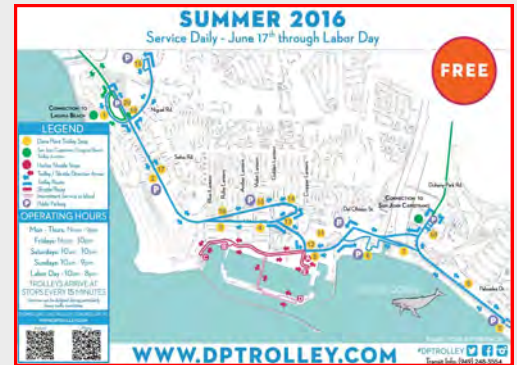

# SUMMER PCH TROLLEY RETURNS WITH EXPANDED ROUTE FOR 2016

After a successful 2015 Summer Trolley program, the City of Dana Point is proud to share that their 2016 Summer PCH Trolley program is close to getting the show on the road! **Beginning Friday, June 17, 2016, the PCH Trolley will operate 7 days a week through Labor Day** (Monday, September, 2016). PCH Trolley passengers will be greeted by new open-air style trolleys and enjoy an expanded PCH Trolley route and operating season.

**In addition to the City's PCH Trolley service, a new Harbor Shuttle service will be added.** The PCH Trolley/Harbor Shuttle connection at the Golden Lantern and Dana Point Harbor Drive intersection will now allow travel to Baby Beach, the Ocean Institute and the Harbor businesses and restaurants.

The Summer PCH Trolley/Harbor Shuttle is a fun and convenient way to explore the City of Dana Point and Dana Point Harbor. For more information visit [www.dptrolley.com](http://www.dptrolley.com)
