

Dana West Marina's HARBOR HIGHLIGHTS

DECEMBER 2017

Dana Point TURKEY TROT

**THANKSGIVING DAY,
NOVEMBER 23, 2017**

The 40TH Annual Dana Point Turkey Trot will take place from 6 a.m. to 12 p.m. on Thanksgiving Day. Turkey Trot offers several fun-filled healthy holiday themed options for families, friends and community to come together on Thanksgiving morning. Race day events include a 10k, two 5k's, a costume contest and a Kid's Gobble Wobble 1 mile race. With over 10,000 race participants expected this year, extra security measures are being taken to keep participants safe. All race courses run throughout Dana Point Harbor which may create road blocks.

ALL ROADS LEADING INTO AND OUT OF DANA WEST MARINA WILL BE CLOSED FOR THE DURATION OF THE EVENT FROM 6 AM TO 12 PM. There will be NO vehicular access into or out of the marina for anybody for any reason. If you are planning to visit your boat on Thanksgiving Day, Thursday, November 23, 2017; please plan to do so before 6 a.m. or after 12 p.m. Pedestrian access will be permitted should you have a need to get to or away from your boat during the event. Unlike in previous years; substantial road blocks will be in place this year and security personnel will not be able to move them to allow vehicular access for boaters to marina parking lots. We apologize for the inconvenience and appreciate your cooperation.

If you would like to register to "Run the race BEFORE you STUFF your face" or for more information, visit www.turkeytrot.com

The 43rd Annual Dana Point Harbor Boat Parade of Lights is looking to bring out the SUPER HERO in all of us with this year's theme; "A SUPER HERO HOLIDAY". This is your chance to put your Super Hero mask and cape on, save the boat parade and collect cash and trophies! All you have to do is register, decorate your boat and participate in the parade on December 8, 9, 15 & 16, 2107.

Visit www.danapointharbor.com to register online or for more information about the Boat Parade and other holiday happenings in the Harbor.

CLEAN & GREEN...

Bilge Care and Preventing

- Never use soaps or detergents to clean oil or fuel! Soaps emulsify oil, breaking it into invisible droplets that disperse through the water. Adding soap is **ILLEGAL** and bad for the environment.
- Use oil absorbent pads in the bilge to prevent oil discharge from the automatic bilge pump.
- Never use a sewage pumpout for the bilge!
- For a large oily mess in the bilge, use a steam cleaning service.

FROM THE HELM...

Fall is in the air and it is surely getting festive around here. I love this time of year...the sunsets are bursting with color, the sky is clear for miles and the weather is getting crisp! Of course, here in southern California the weather never gets too cool for a beautiful boat ride which I think is the best way to take it all in.

We have been busy trimming trees, planning holiday light installation and working diligently with OC Parks staff on plans to improve boater restrooms. I am hopeful that I will be able to share good news soon and you will eventually see some nice (and much needed) improvements to the restrooms. In the meantime, we will continue to keep them clean and operable. Please continue helping us out by reporting anything you notice leaking, broken or missing while using the restroom or laundry room facilities. We always appreciate your feedback.

We are working with OC Parks and Vintage Marina Partners to brighten up the holidays in Dana Point Harbor with millions of lights and many new decorations that will surely leave you and your guests in the holiday spirit. Lighting is planned from the Harbor entrance at PCH/Dana Point Harbor Drive all the way to the Ocean Institute with festive photo opportunities along the way. Holiday lights throughout the harbor will shine starting Wednesday, November 22, 2017 and will run nightly through January 1, 2018. Coffee Importers will be open during the evenings so you can grab a coffee or hot cocoa and take a seasonal stroll to delight in this perfectly festive fantasy land on the water's edge.

All of us here at Dana West Marina wish you and yours a safe and healthy holiday season. Please do not hesitate to contact me if there is anything we can do to make it better. Cheers!
