NOVEMBER 2018

41ST Dana Point TURKEY TROT 2018

Registration is open for the 41st annual Dana Point Turkey Trot happening on Thanksgiving Day, November 22, 2018.

A Thanksgiving Day tradition for Orange County families, the Turkey Trot offers several options to satisfy your competitive pallet including a 10k, 5k and Kids Gobble Wobble. All races are on a flat surface offering a scenic route through Dana Point Harbor. Not all the fun is in the run...there is also a wellness expo and costume contest.

Run the race before you stuff your face!

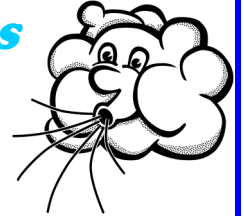

CLEAN & GREEN...

Soaps from boat sinks, showers, and dishwashers are more harmful than those at home because they don't get treated in a sanitary sewer system. As much as possible, do your washing at home. Choose phosphate-free, biodegradable and non-toxic products.

BATTEN DOWN THE HATCHES

It sounds funny as we continue to experience summer like weather in southern California but it's time to start thinking about winterizing your boat. We are expected to have a wet winter and you want to be ready for it when it comes.

Here are some tips to help make sure you are ready for winter:

- ◆ Snap on your boat's canvas and cover. Please remember that polyethylene tarps are not permitted in the harbor.
- ◆ Double check your dock lines for chaffing. For sailors who have roller furling head sails, please make sure they are secure.
- ◆ Clear your vessel's scuppers and check automatic bilge pumps.
- ◆ Tie off halyards so your neighbors do not experience unnecessary noise during the winds.
- ◆ Regularly pumpout your dinghy to prevent rainwater from accumulating and causing unwanted problems.
- ◆ Inspect life jackets and replace any showing even slight damage. Make sure life jackets are clean and dry. Ideal storage is in a moisture-free, well ventilated environment.
- ◆ Plan to visit your boat and give it a check following heavy rainfall or high winds.

We are help to help. Please feel free to call if you need anything.

44TH ANNUAL DANA POINT HARBOR
BOAT PARADE OF LIGHTS
• WESTERN WONDERLAND •
December 7, 8, 14 & 15
Festivities Begin at 4:30 P.M. Boat Parade Starts at 7:30 P.M.

It's time to shine up your boots and dust off your ten gallon hat because the 44th Annual Dana Point Harbor Boat Parade of Lights is taking you to a WESTERN WONDERLAND! The boat parade will boot scoot through the harbor on the evenings of December 7, 8, 14 & 15 starting at 7:30 p.m. A participant form is included with this mailing. Saddle up your sleigh and make plans to participate in this amazing event! Dana Point Harbor is offering great prizes in a variety of categories.

Plenty of fun will take place in Dana Wharf and Mariner's Village ahead of the parade with theme based events and activities including live entertainment and plenty of holiday cheer. Festivities begin at 4:30 p.m. on parade nights.

Beginning Thanksgiving Day, November 22, 2018, Dana Point Harbor will shine bright with good cheer as the annual lights are turned on for the holiday season. Make plans to take a stroll from Dana Wharf all the way to Baby Beach and take in the magnificently magical display.

Happy Harbor Days!

FROM THE HELM...

Change is in the air in Dana Point Harbor. As the County of Orange prepares to hand over the harbor to Dana Point Harbor Partners, there is a lot of excitement and community interest. If you aren't yet familiar with what's gone on up to this point, I suggest you visit www.dphadvisory.org for the latest news, information and details including conceptual drawings, layouts, plans, etc.. It is a monumental time for our little harbor. Don't miss the boat...stay informed.

As we move into the winter season, we ask that all dinghies and/or small craft be removed from the water behind your boat. Although we are loose in our enforcement during high boating season, this type of small craft storage is not permitted and we ask that you make immediate plans to remove these items. Additionally, please remove any items stored on or around the dock and dock fingers. Dock fingers and main head walks are to be clear of all personal property with the exception of dock steps and a water hose neatly wrapped around your marina assigned dock box. We will be diligently enforcing this in the coming days and weeks. I appreciate your cooperation.

Our annual tree trimming is complete and the holiday lights are going up. Our maintenance team is working on a couple of landscaping improvement projects that will enhance the aesthetics at the island side entrance as well as provide a clearer view of oncoming traffic while exiting the parking lot. They are doing great work!

Fall has arrived and it is as beautiful as ever here in Dana Point with crisp clear skies and bursting sunsets making for excellent boating weather. Enjoy the season!
