---

## 4TH OF JULY RE-CAP

The Marina Company and staff would like to thank everyone for their patience and cooperation during the busy 4th of July Holiday. Many boaters reported that they had a great time this year. Special thanks to OC Dana Point Harbor and Dana Point Harbor Association for providing the in-harbor shuttle, and OC Dana Point Harbor for the boater cargo shuttles, security and extra dock carts for the holiday. Thank you to the City of Dana Point also, for putting on a terrific fireworks display, for the auxiliary parking and to-the-harbor shuttles.

---

## MARINA REMINDERS

- The speed limit is 5 mph in all the Marina parking lots - be careful, there are a lot of children around this time of year.
- Pets in the marina must be on a leash not to exceed 6 feet, and under the direct control of a responsible adult at all times. Please do not allow your pet to disturb others on the docks.
- Limit your guests to the number of persons that can safely occupy your vessel.
- Keep docks clean and clear at all times for emergency access.
- Dock gates should be secured at all times. Leaving gates open is a safety hazard as children can access the docks unattended (it's happened). Not to mention secured dock gates help to protect against theft.

---

## ENVIRONMENTAL

Dana Point Harbor provides a number of recycling services. Glass, paper, aluminum and plastic can be disposed of at each trash room's blue recycling receptacle. We also provide recycling/proper disposal of oil, ATF, coolant, oil and fuel filters, absorbent bilge pads and marine batteries. Please contact the marina office for details.
