

# The Marina News

July 2015

A Monthly Publication  
for the Boaters of Dana Point Marina  
34555 Casitas Place, Dana Point, California 92629  
Phone 949/496-6137 • Fax 949/496-0788

## Fourth of July

The key to spending 4<sup>th</sup> of July in the harbor is planning ahead. OC Dana Point Harbor is making preparations for this year's celebration. The following tips will help make your holiday enjoyable:

- Carpool whenever possible. Parking resources will be stretched to the limit.
- Come early and plan to stay put until the fireworks are over.
- Security officers will be manning marina parking gates, closing the lots should they become full.
- Additional parking with shuttle rides to the Harbor will be available from Dana Hills High School.
- Intra-Harbor Shuttles will be available to transport folks throughout the harbor at no charge.
- In the weeks before the holiday, bring your supplies to your vessel.
- Dana Point Police Services will close various parts of the harbor when parking is full, to ensure emergency vehicle access. Detailed notices about the closure will follow.
- Absolutely no personal fireworks will be allowed in the harbor due to the risk of fire.
- Keep pets on leashes and watch children.
- Most of all, please be patient, courteous, and safe during the holiday event.
- No trailers or RV's allowed!
- Fireworks begin at 9pm!

### Free Water Saving Nozzles Available!

New regulations regarding potable water usage are approved by California's State Water Resources Control Board.

#### The new regulations prohibit:

*"The use of a hose that dispenses potable water to wash a motor vehicle (or vessel), except where the hose is fitted with a shut-off nozzle or device attached to it that causes it to cease dispensing water immediately when not in use."*

As part of our ongoing water quality and conservation efforts, and in cooperation with South Coast Water District, OC Dana Point Harbor pleased to provide complimentary water-saving hose nozzles to Boat Slip Licensees.

Boaters may pick up a nozzle at the Dana Point Marina Company office.

Supplies are limited; one nozzle will be given to boaters on a first-come first-served basis.

### Trolley Service

The City of Dana Point will begin June 26th and will run Friday/Saturday/Sunday through Labor Day, September 7th. The trolley service is free. All vehicles will be powered by alternative fuels, will be handicap accessible, and have bike racks.

To view the Trolley Route Map and Summer Weekend Trolley Service Operating Hours, please visit:
