Fourth of July...Already!

Hard to imagine, but it's already time to start thinking about the 4th of July Holiday. In preparation for the holiday, OC Dana Point Harbor will be relocating Catalina Express parking out of the Marina lots, providing a harbor shuttle service and boater cargo shuttles and much more. The following tips are provided to make the holiday more enjoyable:

- Car pool whenever possible. Parking resources will be stretched to the limit.
 - Come early and plan to stay put until after the fireworks are over.
 - Security officers will be manning boater parking gates and closing the lots should they become full.
 - No trailers, RVs or vehicles longer than 23' will be allowed in the marina parking lots.
 - Additional parking with shuttle rides to the Harbor will be available at Dana Hills High School - details to follow.
 - It is best to bring supplies to your boat early, however the Harbor will be providing a small cargo golf cart shuttle to help boaters deliver supplies to their vessels.
 - Dana Point Police Services will close various parts of the harbor when parking is full, to ensure emergency vehicle access. Notices about the closure details will follow.
 - Absolutely no personal fireworks will be allowed in the harbor due to the risk of fire.
 - Most of all, please be patient, courteous, and safe during the holiday event.
-

Environmental - Remember that oil absorbent bilge pads are available free at the marina office. Please stop by, and remember that we provide proper disposal of used bilge pads at the island recycling center. Call the marina for details.
