**April 2014**

## **DANA POINT HARBOR UNDERWATER CLEANUP**

On May 10, 2014 from 8 AM to 12 PM, approximately 100 volunteers will come together in an effort to retrieve lost items from the bottom of the harbor. The 11th semi-annual Dana Point Harbor Underwater Cleanup will focus on the easterly half of West Basin B-Dock and will involve an estimated 50 volunteer certified scuba divers who will don their masks and brave the briny deep in an effort to clean up our harbor waters. Approximately 15 volunteers from the US Coast Guard Auxiliary, 20 landside volunteers and 15 marina staff members will provide above water landside and safety assistance during the upcoming spring event. In order to entice volunteer divers into the water we offer them complimentary food and beverages throughout the event, an event t-shirt and prizes for the most unusual items found.

The semi-annual Dana Point Harbor Underwater Cleanups began in the spring of 2009 in the East Basin. Thus far over half the harbor bottom has been cleared of more than 35,000 pounds of debris! Notable items retrieved include bicycles, dock carts, marine toilets, shopping carts, chairs, tables, umbrellas, lap tops, televisions, skate boards, cell phones and much more!

OC Dana Point Harbor is the host and primary sponsor of the upcoming spring event with additional sponsorship provided by Coffee Importers, Get College Funding, Vintage Marina Partners, Elesco Emergency Lighting Equipment and Service, Chick-fil-A Laguna Niguel, Dana Point Yacht Club, Dana West Yacht Club, Dana Point Marina Inn, Captain Dave's Dolphin and Whale Safari, RJ'S Café, Aqua Lung, The Harbor Grill, Harpoon Henry's, White Pelican, Rubio's and many more! Sponsorship opportunities are available for the upcoming May 10th event as well as for the fall event on September 20, 2014 in conjunction with Coastal Cleanup Day when we will focus on West Basin C-Dock. Please contact the marina office if you are interested in volunteering or sponsoring.

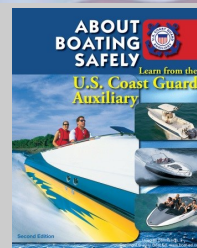

We encourage you to come out on May 10th and check out this event. It is a wonderful thing to see so many volunteers come together in an effort to achieve the greater goal of a cleaner ocean.
