

Dana West Marina's HARBOR HIGHLIGHTS

JULY 2015

FOURTH OF JULY 2015

IMPORTANT INFORMATION

July 4th is the busiest day of the year in Dana Point Harbor. With the holiday falling on a Saturday this year we anticipate parking resources will begin to fill up starting Thursday night and reach near capacity by Friday afternoon. Parking is reserved for Dana West Marina boaters only on July 4th but the lots will still fill to capacity very early. **Showing up with a vehicle on Saturday July 4th after 10 AM is not recommended.** It is highly likely that there will be no parking available. In an effort to help you better prepare for spending the holiday in the Harbor, please keep in mind the following important information:

- ◆ An assigned marina access card or fob **AND** a valid Dana West Marina parking sticker will be required for parking lot entry. If you do not have **BOTH** of these, you will not be admitted.
- ◆ In addition to the above, Marina staff will be at the parking gate with a roster listing only current marina Boat Slip Licensees. **If you have both an access card & parking sticker but your name is not on the roster; you will not be admitted into the parking lot.**
- ◆ We encourage you to carpool. **A maximum of TWO vehicles per assigned boat slip will be allowed entry into the boater parking lot provided there is available parking.** Additional vehicles will be directed to park at Dana Hills High School and use the shuttle.
- ◆ **GUESTS WILL NOT BE PERMITTED TO PARK IN THE BOATER PARKING LOTS ON JULY 4th.** Please direct your guests to park at Dana Hills High School and use the shuttle. There will be no exceptions.
- ◆ Arrive early and stay put. We anticipate parking will fill up completely by mid-morning on July 4th. **The parking lots will be closed to everyone once they are filled to capacity.**
- ◆ The City of Dana Point will provide free continual shuttle service from 10 AM to 11 PM. The shuttle leaves from Dana Hills High School and drops off at the corner of Golden Lantern and Dana Point Harbor Drive. There will be three intra-Harbor shuttles running on a limited route in a continual loop (please see map with stops on reverse side). **We will also have golf cart shuttles and drop off locations outside of each marina parking lot available to assist you and your belongings to the gangway.**
- ◆ **No vehicles will be permitted into the lot to drop off supplies or equipment.**
- ◆ Campers, RVs and trailers are prohibited.
- ◆ Vehicles parked in fire lanes or outside designated spaces are subject to towing.
- ◆ **Parking space saving is not permitted for any reason.**
- ◆ Fireworks and BBQs on the docks are a serious fire hazard and violations will be taken seriously.
- ◆ Parking lots and roads into the Harbor will be closed by Dana Point Police Services prior to the fireworks.
- ◆ All left hand turn lanes in the Harbor will be closed off. This traffic requirement may require you to pass your desired entrance and come back around. Be patient.
- ◆ Please, no water balloons; they can be harmful to birds and marine life.
- ◆ **No bands or amplified sound will be tolerated on the docks or on vessels docked in the marina.**
- ◆ Remember that all marina Rules and Regulations apply on the holiday. Please be respectful to your neighbors and marina staff.

We will have marina staff at the parking gates on July 3rd, 4th and 5th. We ask that you please be kind and courteous to our staff and allow them to guide you to the nearest available parking spaces or options. If you arrive after 10 AM on July 4th, please be prepared to be redirected by our friendly staff. **Please keep in mind that your Boat Slip License does not guarantee you a parking space.** Please plan to take advantage of the shuttle service if you are coming late. See shuttle route on the reverse side of this page. The shuttle service will save you and your guests a ton of time. If you are having a party on your boat on the 4th; please direct your invited guests to use the shuttle service. We will allow guest parking on July 3rd and 5th with a valid guest parking pass. Guest vehicles coming in on the 3rd will need to be removed from the parking lot no later than 6 AM on the 4th of July. Please call the marina office with any questions or concerns.

HAVE A SAFE AND ENJOYABLE HOLIDAY!
