# HARBOR HIGHLIGHTS

**November 2014**

## **40 NIGHTS OF HOLIDAY LIGHTS!**

IlluminOcean will transform Dana Point into a wonderland by the water's edge for 40 nights beginning November 26, 2014. **Dana Point, IlluminOcean will feature a brilliant spectacle of 18 oversized lighting sculptures with 225,000 lights in addition to the Harbor's 200,000 holiday lights.** The display will span the Harbor from Dana Wharf to the Ocean Institute. **The sea-themed holiday lighting sculptures will showcase the County and city's devotion to ocean preservation.**

IlluminOcean is a walkthrough lighting attraction that will illuminate the harbor with an electrifying exhibition of nautical, holiday and uniquely entertaining lighting displays. **From octopus and sharks, to starfish and surfers, the dazzling displays are highlighted by a towering glow-motion tree, light tunnels stretching longer than a football field and gigantic lighting sculptures—so big visitors can walk through and inside the belly of a glowing 40-foot blue whale!** As visitors stroll through the colorful collection of immersive attractions, every step is filled with vibrant sights and sounds while roaming street performers entertain.

We anticipate a busy harbor during the holiday season and encourage you to spread the word and enjoy the season right here in Dana Point Harbor!
