# HARBOR HIGHLIGHTS

September 2014

## 30TH ANNUAL TOSHIBA TALL SHIPS FESTIVAL SEPTEMBER 6-7, 2014

On September 5, 2014, the 30th annual Toshiba Tall Ships Festival will kick off in Dana Point Harbor with a sunset parade. Festivities will continue throughout the weekend with a festival, public tours and cannon battles. **Experience the sights, smells and sounds of a real working tall ship. Enjoy blasting cannons, towering rigging, bustling decks and the magnificence of**

**canvas full of wind!** This year the Ocean Institute welcomes a beautiful lineup of participating tall ships including local vessels "Pilgrim", "Curlew" and "Spirit of Dana Point". Other participating tall ships include "American Pride", "Bill of Rights", "Californian", "Exy Johnson" and "Irving Johnson". Rounding out this magnificent group of Tall Ships is a first time visitor from the warm waters of Mazatlan, Mexico; "Patricia Belle".

Ocean Institute President and CEO says, *"Every year a fleet of historically significant sailing vessels comes to join our ships at Dana Point. They come not only to display their beauty and majesty but also to share with the public a maritime history that is inextricably part of California's past, a heritage we work hard to preserve as we educate future generations about our oceans. It is in support of this effort that we assemble these great ships for all to experience."* For more information visit [www.TallShipsFestival.com](http://www.TallShipsFestival.com)

## FISH FRENZY IN SO CAL

With water temperatures unseasonably high at 71 to 75 degrees, Dana Point anglers are in a frenzy over exotic fish invasion. Hundreds of Yellowfin Tuna, Dorado, Mahi-Mahi and Bluefin Tuna are being caught off the Southern California Coast daily. **Dana Wharf Sportfishing reports that fishing for exotic species on this magnitude has not occurred since 1997!** Dana Wharf Sportfishing recorded 1,160 Yellowtail were caught in the month of July on their fishing excursions with conditions in August proving plentiful so far.

**HAPPY FISHING!**

## FREE HOZE NOZZLES

**South Coast Water District has once again generously donated hose nozzles to OC Dana Point Harbor for free distribution to boaters in Dana Point Harbor.** Hose nozzles are available in the marina office while supplies last. The complimentary hose nozzle program is part of South Coast Water District and OC Dana Point Harbor's ongoing water conservation efforts. Marina rules and regulations require the use of a hose nozzle when using a hose on the docks.

**We encourage you to be water wise and do your part to conserve water.** For starters, follow these five simple water saving tips:

1. Wash vessels using a bucket with environmentally friendly soapy water.
2. Limit showers to 5 minutes and turn off water while soaping.
3. Turn off water while you brush your teeth.
4. Wash only full loads of laundry & dishes.
5. When washing anything in a sink, use the drain plug and fill the bowl with water rather than letting it run.

**FALL 2014 UNDERWATER CLEANUP  
& CIGARETTE BUTT ROUNDUP**

**SATURDAY, SEPTEMBER 20, 2014**

Dana Point Harbor is looking for volunteer certified scuba divers to scour a section of the harbor for lost items. Your chance to search the briny deep for treasures! If you are a certified scuba diver or know someone who is, call the marina office at (949) 493-6222 to register for this fun environmental event. Participants will receive an event t-shirt, food & beverages. Prizes will be awarded for most unusual finds! Visit [www.DPHunderwatercleanup.com](http://www.DPHunderwatercleanup.com)

Dana Point Harbor is also looking for volunteers to join us for the Dana Point Harbor Cigarette Butt Roundup. This is a landside volunteer event and no certification is required. Please call Penny Elia at (949) 499-4499 to register.

Both of these events are part of OC Dana Point Harbor's continuing efforts to improve water quality in the harbor.
