**Subject:** Dana Point Harbor Retail Design Open House Events Sept. 3 & 4

## **Dana Point Harbor Partners to Host Retail Design Open House Events September 3 & 4**

On behalf of Dana Point Harbor Partners (DPHP), Burnham Ward Properties would like to thank everyone who participated in the Dana Point Harbor Retail Design Community Workshop that took place this past Monday evening at the Ocean Institute. The outstanding community participation and feedback was productive and appreciated.

For those who were unable to participate in this past community workshop, DPHP will host two open house events at the Dana Point Harbor management office on Tuesday, September 3 and Wednesday, September 4 between the hours of 3 - 6 p.m. The same inspirational boards will be displayed, featuring design and programming matters such as materials and color palettes, outdoor spaces, landscaping, events and public activation areas, tenant mix and more.

DPHP welcomes the community of Dana Point to participate in these events and to be part of the long-awaited revitalization of the Dana Point Harbor retail commercial core area. Feedback gathered from the workshop and open house events will be summarized and presented to the City of Dana Point Planning Commission on September 23, 2019.

## **DPHP Retail Design Open House**

#####

**About Dana Point Harbor:** Dana Point Harbor invites you to enjoy fun, sun, ocean activities, delicious dining, shopping and more. From migratory gray whales that frequent the coastline to stunning sunsets and harbor views, there's seaside beauty and unforgettable adventure at Dana Point Harbor. For more information visit [DanaPointHarbor.com](http://DanaPointHarbor.com) or connect with us via [Facebook](#), [Instagram](#), or [Twitter](#).

**About Dana Point Harbor Partners:** Dana Point Harbor Partners, LLC (DPHP), a collaboration created to operate and redevelop Dana Point Harbor in a P-3 partnership with the County of Orange, is made up of three "best in class" real estate development firms, each specializing in a unique product type. Burnham Ward Properties is responsible for stewarding the harbor's Commercial Core activities featuring the retail, restaurants, offices and other landside buildings, as well as all parkscape areas. Bellwether Financial Group guides the marina operations including the boat slips, boater facilities, dry boat storage, day-boat parking, and launch ramp areas. R.D. Olson Development leads the hotel redevelopment and hospitality components of the harbor.

The partnership is developing a master plan that connects the harbor's landside and waterside to become a singular cohesive waterfront experience. United by a love of the water and dedicated to preserving Dana Point Harbor's historical significance, the partnership is applying all areas of respective expertise to ensure every element of the harbor will be thoughtfully designed, redeveloped and managed to be reimagined into a world-class destination with historic roots and local charm.
